

[Fig. 1]

[Fig. 2]

Figure 1 is a schematic diagram of a device 100. The device includes a main body 210 with a central vertical channel 240. On the left side, there are two circular components 250 and a rectangular component 112. On the right side, there are two circular components 111 and a rectangular component 230. A bracket 200 groups the components 220 and 600, which are connected to the main body 210 via a component 610.
